Dear Byram Township Families:

Governor Murphy announced that all New Jersey schools will be closed for the remainder of the school year. We will continue to provide remote learning until the end of the school year. We are working on ways we can implement Chromebook drop off, retrieving items from student lockers and 8th grade recognition. Please feel free to contact your building principals or myself if you have any concerns. Going forward, we will alert you to any decisions that are made.

Thank you and please stay safe.

Bryan Hensz
Superintendent
