I, _____, understand I have chosen to
(printed parent's name)

enroll my child, _____, in the
(printed student's name)

At Home/Distance Learning Academic Programming option provided by Carroll County School District for the Fall 2020 semester. I understand I may not change to the Traditional Learning Plan once the Fall 2020 semester begins August 6, 2020. I also understand the At Home/Distance Learning option **is not** comparable to the face to face instruction in the Traditional Learning Plan.

I understand I must be able to provide the following in order for the child to participate in the At Home/Distance Learning option:

- Computer/device (until the district receives devices ordered through ESSER funds)
- Internet access adequate for live streaming
- Transportation to and from the student's assigned school on scheduled days to complete tests and other graded assignments
- Parents and students must complete training for the online learning programs used
