

# SOUTHERN WESTCHESTER BOCES SUPERINTENDENT'S HIGHLIGHTS MAY 2018

## Center for Interscholastic Athletics

The spring 2018 season is upon us and our office has been busy scheduling games, preparing for our upcoming seeding meetings, and hoping for nice weather. Spring is always an unsettled time of year for Athletics because weather; especially rain, commonly dictates facilities.

This spring we have several sectional championship events coming up shortly. The girls' lacrosse sectionals are taking place at Torne Valley and boys' lacrosse at Lakeland High School. In addition, boys' baseball is scheduled to be at Boulder Stadium, softball at North Rockland High School, and tennis at White Plains High School. Track and field is scheduled at different host sites based on each member schools classification. We look forward to all of these upcoming events!

Finally, celebrating all of our student athlete's accomplishments throughout the spring season will be paramount. More specifically, we will be working with Athletic Directors to highlight their student athlete's accomplishments on our website. Also, we plan on creating a spring highlight video using Adobe Spark, which will be placed on the homepage of our website to showcase all the special moments this spring. Please stay tuned for all the exciting happenings coming up in Athletics!
