Dear St. Agnes Academy families,

I hope this email finds you well.

Where and how students learn has changed more in the past couple months than any of us could have ever imagined. Yet teachers and parents, grandparents, and families have joined forces in new and creative ways to make sure that learning continues.

As we approach the end of the year, I thank you all for this. We are almost landing our ship! Hang in there!

Let me share a few updates with you:

Reopening Committee

As we approach the summer months, we know that many questions remain about how the 2020-2021 school year will look like. We will be meeting with the reopening committee to discuss and plan. If you would like to be part of this committee or have questions or suggestions, please contact me.

Retirement celebration

We celebrate two very special teachers as they start a new chapter in their life after many years of service to our school and community.

Mrs. Ann Leja from Pre-K and Mrs. Blefari from second grade will be retiring this year.

Saint Agnes Academy staff and faculty thank them for their commitment, passion, hard work, and many years of love. Please join us in congratulating them and wishing them the best in their future endeavors.

They have touched so many lives and left a powerful legacy within our school and community.

Also, our nurse, Mrs. Long will be moving on. She will be missed. It was a pleasure working with her for the last year.

I will be sending my end of the year update on June 16.

Thank you
