It is our expectation that students will attend all classes, weekly Mass and the Community of Faith event (counts for three classes) in the spring. Those who miss more than three consecutive classes may be taken off of class list and may not progress to the next grade unless work is made up. Those who are absent will be asked to bring missed work to complete at home.

Mass attendance is not only a requirement of our faith, but also a necessary and important part of our Faith Formation program. When children learn about Mass during class, it confuses them if their family is not attending. *Please* make Mass a regular part of your family's weekly schedule; the rewards are *everlasting!*
