COMMUNITY SERVICE HOURS

Name _____ Student ID# _____ Grade _____

Email Address _____ *(Please write clearly)*

1. Community Service is volunteer service for an approved organization.
2. You must complete at least 20 hours of community service of which 10 hours must be math related before initiation. Service hours for initiation must be done no sooner (not before) than sophomore year.
3. Members are required to have at least 20 service hours (10 per semester) per year to the school, community or district. The community service hours must be math related.
4. If you are unsure about your CS hours being accepted, please talk to President or Advisor.
5. Make sure that this form clearly states the organization, contact person, and phone number.

Keep a copy of this form for your records.

Date	# of Hours Worked	Name of Organization Where you Volunteered	Type of Work You Did	Supervisor's Name (print)	Supervisors Signature	Phone Number

TOTAL HOURS _____ **Student's Signature** _____
