February 14, 2020

Dear Parents/Guardians:

The ASVAB Test will be given to interested 10th, 11th, and 12th graders on Thursday, February 27, 2020. This test can help your student determine his/her interests and aptitude. It can also help him/her choose courses for college and make personal career decisions. It will in no way be used by the military to recruit 10th graders. Sophomore test results are invalid for enlistment purposes regardless of age on the date of the test. Junior and Senior results are valid.

If you need more information on the ASVAB, please visit the website at www.asvabprogram.com or contact me at 724-446-5520, ext. 2016. I have attached "Frequently Asked Questions" on the back of this letter.

If you want your son/daughter to take the ASVAB test, please return this letter with his/her name and your signature below by Friday, February 21, 2020.

Thank you,

Eric Dawson
School Counselor

I want my son/daughter, _____ to take the

(Print student's name)

ASVAB test on Thursday, February 27, 2020.

FREQUENTLY ASKED QUESTIONS

CAN I USE MY STUDENT ASVAB RESULTS FOR ENTRANCE TO THE MILITARY?

If you are 17 years of age, or older, you may process at the MEPS using Student ASVAB scores from a test you took in high school when you were 16 years old, provided you were a junior or senior when you took the test and the test has not expired (2 years from the date of test).

Sophomore tests are invalid for enlistment purposes regardless of age on the date of the test.

IF I TAKE THE ASVAB, AM I COMMITTED TO JOINING THE MILITARY?

Taking the ASVAB does not commit you to anything. The ASVAB can help you determine your own interests and aptitude and can help you choose courses for college and make your personal career decisions.

HOW CAN I LEARN MORE ABOUT THE ASVAB TEST?
