

Lakeview Elementary Partners in Learning Program

Volunteers wanted!

Dear Lakeview Families,

We are very excited to continue our groundbreaking initiative at Lakeview - **Partners in Learning**. This is the first volunteer program of its type, designed to help our teachers, students, and families come together to enhance the learning experience.

We are building on the success of our pilot program last year to now include kindergarten and first grade students!

What do we do?

Volunteers will come into the school on a weekly basis to assist kindergarten and first grade students with reading, writing, and mathematics.

No special skills are required! Just a desire to help our children succeed! Volunteers will be provided orientation and guidance prior to assisting, receiving clear instruction on the tasks and techniques they will be asked to help with in the classroom. Participants will provide help to students in classes not shared with their children. The weekly assistance provided will be based upon the needs of the classrooms and each volunteer will be asked to provide an hour or so of assistance on the day(s) they volunteer.

When is it?

Volunteers will be asked to help the same day and time each week. We will be asking volunteers to provide assistance in the morning, likely between 9am and 11:30am. **Volunteers can choose from a variety of flexible scheduling opportunities!**

How do I help?

If you would like to volunteer, we ask that you fill out the attached form and send back via email, hardcopy through your child's folder, or mail to:

Lakeview Site Based Team
112 Lakeview Drive
Mahopac, NY 10541
lakeviewsitebasedteam@yahoo.com

We hope many of our parents and community members will be willing to donate a small amount of time to help our children succeed and make the program a success.

If you have any questions or would like more information:
**please feel free to send us an email at lakeviewsitebasedteam@yahoo.com,
or give the school a call and one of our Team Members will get back to you!**
