

Students are required to return the district provided Chromebook that was assigned to them, along with their case and charger prior to June 22nd 2018. If your child's Chromebook is not being used to prepare for exams, it may be returned immediately. Please follow the schedule below for the dates, times and locations for Chromebooks to be returned. If your child is missing their Chromebook, they must report it to the Technology Department as soon as possible. In order to avoid a charge for the missing device, a police report must be given to the Technology Department.
