\$10.00 Per Family

\$10.00 Faculty/Staff Member

\$ _____ Additional Donation

_____ My payment is enclosed:

Cash / Check ("Lakeview PTO")

____ check only if you **DO NOT** want to receive important emails from the Lakeview PTO

Welcome

Thank you for taking the time to consider the benefits of PTO Membership. Whether you are new to the school district, a seasoned member returning after a summer of fun, or just looking to "get a little more involved", the Lakeview PTO welcomes you!

Who are we?

We are a not-for-profit, volunteer organization committed to enhancing our children's elementary experience. Our members are caring and concerned parents, guardians, administrators and staff members, just like you. Each member has its own unique reason for joining the PTO, and any level of participation is welcomed!

What does the PTO do?

The Lakeview PTO researches, coordinates and funds numerous cultural, social, educational and charitable programs for the benefit of our Lakeview children and families.

- We provide Curriculum Enrichment such as Assemblies, Field Trips, visits from Authors, Book Fairs and Colonial Day.
- We strive to build a sense of community through social and family events such as Fall Festival, Bingo and Kid's Day, as well as charitable events such as Blood Drives, Food Collections and Pennies from Heaven.
- We also coordinate Class Pictures, Yearbook, After School Workshops, Theater, School Store and 5th Grade Moving up Day.

None of these extracurricular programs are funded by our school system or taxes, and all would cease to exist without the volunteer efforts and fundraising of the PTO.

What are the Benefits and Obligations of Membership?

There are NO obligations to Membership. You are NOT required to attend meetings, or volunteer at events. Membership DOES however:

- Provide the much needed support that the Lakeview PTO needs to continue to function.
- Allow your voice to be heard on matters that affect your children and school.
- Give you an opportunity to learn more about the people involved in your child's education, and demonstrate your interest in your child's world. Studies show that active parental involvement positively impacts a child's performance, achievement, behavior and self-esteem.

Now is the perfect time to get involved, be heard, and help effect the positive changes you want to see happen! Whether you have lots of time and money to spare, or very little of either, we all have something valuable to contribute! We hope you will consider joining us!

Where can you find us?

Meetings: 7:00 p.m., Lakeview Library – see calendar in September for dates
