**SUPPLEMENTARY POINTS (FOR OTHER EXTENUATING CIRCUMSTANCES):**

We will not be giving any extra points for special circumstances.

**MISSING NYS ELA & MATH TEST SCORES & CORE SUBJECT GRADES:**

NYS APPLICANTS – For both of our programs Aviation Career and Technical Education High School will replace missing grades or State tests, when all efforts to collect all of the components are exhausted, by distributing the % or weight of that component among the remaining components.

PRIVATE/PAROCHIAL APPLICANTS/OUT-OF-STATE/INTERNATIONAL APPLICANTS – who do not have NY State standardized test scores will be considered if they have nationally normalized standardized examination scores, or Aviation Career and

Technical Education High School will convert other testing scores for non-NY State Exams where possible as per the High School Academic Policy Guide. In addition, Aviation Career and Technical Education High School will contact the applicant’s current/previous school to obtain documentation (e.g. transcripts, report cards, etc.) to determine appropriate corresponding scores in order to provide the student with a rank.

For all non-traditional grades listed for any of the core subjects where they exist the school will use the following conversion chart to standardize the core subject grades. This conversion chart was retrieved, in its entirety from STARS. It is Custom Report 1.30, titled “Transcript: Mark Explanation.”
