April 26, 2019

Dear Parents/Guardians of Incoming Students,

We would like to take this opportunity to welcome you to the Aviation High School community and congratulate your child on their acceptance.

On Thursday, June 6th, Aviation High School will host the Freshman Orientation Day. We ask that all accepted incoming students and their parents/guardians report to Aviation High School at 10:00 a.m. and please enter directly into the student cafeteria on 35th Street. All activities will end by 2:00 p.m. We recommend travelling via public transportation. There is no parking at all.

Parents will have an opportunity to meet with the principal, assistant principals, and school counselors. Students will take a Math and Spanish placement assessment. Please bring two #2 pencils, a student ID card, and your 9-digit OSIS (student identification) number.

Students will also have the opportunity to purchase supplies that they will use in their Aircraft Maintenance courses. The cost of these supplies is \$60; we accept cash, check, or money order, payable to Aviation High School.

On the back side of this letter, you will find a form that should be completed by your child's current school counselor and returned when you arrive. Also enclosed, you will find a student medical form to be completed by the student's doctor. We ask that you also return the completed forms on that day. Please feel free to email us or call with any questions or concerns at nrodriguez56@aviationhs.net or (718) 361-2032 ext. 1352.

10:00 am	Parent and Student Arrival via 35th Street
