Immunization Requirement for Students entering 6th Grade:

New York State law Section 2164 requires certain immunizations to enter 6th grade and attend school. They are listed below.

Tdap:

- Boostrix- Age 10: Not required to receive the Tdap until they are 11 years old. At that time they must provide documentation of Tdap or proof of an appointment within 14 days.
- Adacel- Age 11: Must receive Tdap immunization.

Varicella: - 2 doses

Polio: -3-4 doses

Please have your physician or Health Department Sign and Stamp their form or this form. Return the form to the Health Office before school starts.

Thank you,
