*Principal*

Alex Levine  
*Assistant Principal*

Starla Ciarelli  
*Assistant Principal*

*OUR CHILDREN, OUR SCHOOL, OUR FUTURE*

To All Incoming Seventh Graders:

New York State Educational Law requires that all seventh grade and new entering students have a physical examination upon entering school.

As of September 2016 all seventh grade students will be required to receive the Meningococcal/Menactra/MCV4 vaccine.

Enclosed is a physical exam form which should be filled out by your child's physician and returned the Health Office at the Middle School as soon as possible.

Sincerely,

Alice Foley, R.N.  
 School Nurse
