Dear New Rochelle Neighbor,

On behalf of the Board of Education of the City School District of New Rochelle, I am pleased to invite you to join us at a series of budget discussions with members of the Board and the School District's Central Administration.

We have planned a School Budget Community Input Forum in which we hope to receive your guidance on the development of the School District's 2018-2019 annual budget and the financing of the instructional program we offer to children. We actively seek your participation in our budget process and we want to help you become as informed as possible.

For your information, the School Budget Community Input Forum and the School Budget Review Sessions will be broadcast live on Cablevision (Channel 77), Verizon (Channel 30) and on our website. The streaming webcast link will be posted on [www.nred.org](http://www.nred.org) closer to the date of the Budget Forum. Please visit our website for updated information. The Forum and Review Sessions will be held in the New Rochelle High School Library, 265 Clove Road, New Rochelle, New York, as follows:
