Extenuating Circumstance

I understand that Westbrook Public Schools requires student-athletes to travel on district provided transportation to and from all athletic events as part of being a team member. This form is to be used for extenuating circumstances (i.e. SAT's, family emergency, conflicting school events, religious obligations etc.) not for family conveniences. In the event transportation is not provided, signing this request releases the Westbrook BOE, the Town of Westbrook, and its employees from all liability should any incident(s) occur. This form is to be returned to the Athletic Director or Administration prior to the day of the event.
