What extra-curricular athletic programs are available for George Fischer Middle School Students?

Two extra-curricular athletic programs are available for middle school students: Intramurals and Modified Athletics

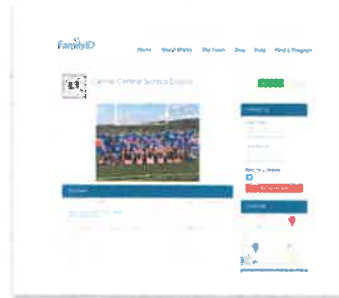

- ◆ **Intramurals** — Open to students in grades 5-8. To participate, interested students should listen to morning announcements and refer to the GFMS Clubs & Activities Calendar under Student Resources on our website. Coaches names and email addresses are listed on the club page and can be contacted by way of email. Students should bring a parent note to the first meeting of any intramural group and get a permission slip that must be signed by the parent. Most intramurals run for a 6-week cycle.
- ◆ **Modified Athletics** — Open to students in Grades 7 & 8. To participate, students must: register with FamilyID (<http://www.familyid.com/carmel-central-school-district>) and have a physical performed by either the school physician or by your family physician.

What is FamilyID and how do I register my child?

FamilyID is a free, secure registration platform that provides an easy, user-friendly way to register for GFMS Modified Athletic programs (IT IS NOT NECESSARY FOR FAMILIES TO REGISTER FOR INTRAMURAL PROGRAMS). The system keeps track of your child's information from year to year. To register visit :

<http://www.familyid.com/carmel-central-school-district> and click "Create Account."

<http://www.familyid.com/carmel-central-school-district> and click "Create Account."

What is the athletic physical process?

Students who wish to participate in Modified Athletics must have a completed physical on file. Physicals are good for one full year.

Physicals can be performed for no charge by the school physician. Students must make an appointment with the school nurse.

Physicals can also be performed by a private physician, using the CCSD Physical form (located on the CCSD Athletic webpage).

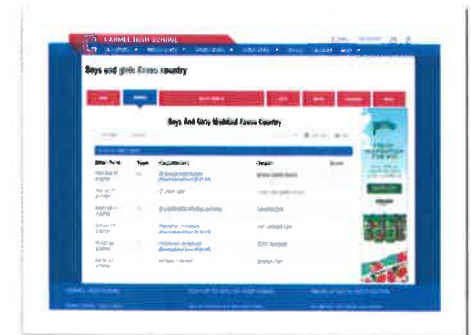

Where can I find the schedule of games?

INTRAMURALS

Intramural games are played each time the students meet. Students play a rally formation so that the greatest number of children can enjoy and learn the games. Games are not open to parents.
