Safe School Ambassadors — This group of students is trained through the Community Matters Program. Students are nominated for this group by their faculty and peers. This is not an open enrollment activity. Approx. 60 students will participate in Family Groups with faculty, bi-weekly. Student and school goals are to help create and maintain a positive, safe, and uplifting school environment.

Science & Technology Fair — Grades 5-8. The Science & Technology fair is a great event. It takes place on **Saturday, February 23, 2019** and is open to all GFMS students. Projects can be entered in the categories of biology, physical science, technology, math and earth science. Awards are given to the first, second and third place winners from each category.

Spotlight — Grades 5-8. This club meets after school on Mondays to read and critique poems, short stories and art work to be published in the GFMS Spotlight Literary and Art Magazine. Spotlight Literary and Art Magazine showcases original pieces. The members work together to produce this memorable magazine.

Teens-N-Kids Mentoring Club — Grade 5. Sponsored in partnership with the Putnam County Youth Bureau, Carmel HS students come to GFMS to mentor and interact with our 5th grade students. The club meets weekly on Wednesday's. Activities and snacks are provided by the Youth Bureau.

Tutorial Program — Grade 8. A time to academically help the fifth and sixth grade students. 8th graders can volunteer and then be trained to be a tutor, one day a week for our younger students. Students should seek more information from Mr. Kirk's office. Space is limited and is filled on a first come/first enrolled basis.

Yearbook — Grades 6-8. The yearbook is a publication of middle school memories. Meetings are held each Thursday. The yearbook staff works on photography, keyboarding, layouts and selling ad and booster space. Students learn how to design a yearbook page.

Art Club — Grades 5-8. This club is for those who would like to enjoy some additional time exploring artistic opportunities in the art room. Members will be able to pursue self-directed projects in the medium of their choice, put in additional time on art classroom assignments, and become involved in collaborative ventures with other club members. Individualized instruction and support will be readily available. Students are encouraged to share ideas and enjoy immersing themselves in artistic endeavors in the company of their fellow art enthusiasts. Students may sign up for one quarter of Art Club. Art Club meets on Wednesdays after school. Limited to 30 students. Sign-up is first come/first enrolled.

Babysitting Course — One time a year, usually in the spring, the GFMS PBIS (Positive Behavior Intervention and Supports) Team provides a course in babysitting.

Dignity Club — Grades 5-8. This club provides a time and place to help students support cultural competencies, gender awareness/ differences, human rights and world peace. It will help to teach our students ways to support others in all things. Activities include but are not limited to: discussions of issues important to students, collaborative mural making, poster design, poetry writing, awareness events, fundraisers/charity events. Meets weekly.

Drama Club — Grades 6-8. This club is for those who want to let their inner actor out and work with a variety of people. Students perform in one show each year. Meetings range from once a week to five times a week once the play and cast has been selected.

Future Business Leaders of America (FBLA) — Grades 7-8. The GFMS chapter of FBLA serves as an important stepping stone for participating in the high school's chapter of this national, state and local organization. Members are active in school and community partnerships that exemplify the club's overall mission of community service; educating themselves and others; and promoting progressive ideas through professional connections. Students learn best business practices and participate in charitable fundraising activities.

General Organization (GO) — Grades 5-8. GO is the student government that represents the GFMS student body. Officers include a President, VP, Secretary & Treasurer as well as student representatives from each homeroom. The GO is involved in community service projects such as food and clothing collections. They plan school activities such as dances and keep students informed. The GO meets on Wednesday afternoons.

Go Green Environmental Club — Grades 5-8. The Go Green Club's primary function is to run the recycling program at GFMS. The club meets on Tuesdays after school to collect, bag, and remove the school's recyclable waste to our outdoor collection site. The club also gets involved in special projects within the school and in the community to support and promote environmental efforts. Members will go on a field trip to a fun and environmentally educational site in the Spring.

Lego® Robotics Club — Grades 6-8. Students design and build an autonomous programmable Lego® robotic vehicle to perform tasks in an annual regional contest at Dutchess Community College. Per the rules of the tournament, the team consists of only 10 students. See www.usfirst.org for more information. The middle school competition is called First Lego League (FLL).

Living History Club — Grades 7-8. Students learn about various topics in American History. Students research Colonial era and the Civil War time period during club meetings. Club members create presentations to demonstrate 18th and 19th century American culture. In the fall, students assist with 7th grade Colonial Day. In June, the club hosts the "Excelsior Cup", a 19th century baseball tournament. The club meets after school every other Thursday.

MATHCOUNTS — Grades 6-8. A National enrichment, coaching and competition program that promotes middle school mathematics achievement. The club meets once a week and will focus on competition. The club is geared for 7 and 8th graders. 6th graders are welcome to attend but the content may be difficult.

Musical Groups

- **Chamber Ensemble** — Grades 7-8 clarinet students. Clarinet choir performs in the extra-curricular concert. It meets weekly after school and we perform clarinet only music.

- **Jazz Band** — Grades 7-8 band students. In addition to band students, Jazz Band is students who play piano, guitar and bass. This club provides an opportunity for interested students to learn and perform jazz, rock, blues and other forms of popular music in an instrumental setting. The group meets on Mondays after school until the late bus. One evening concert will be scheduled in the Spring.

- **Rock Ensemble** — Grades 7-8. This club provides an opportunity for 7th and 8th grade students to learn and perform popular music from many different decades. Rock Ensemble is an auditioned group including approximately 20 singers, 2-3 guitarists, 1-2 bass guitarists, 1-2 keyboard/piano players and 1-2 students who play drum set. Auditions take place mid to late September. Rock Ensemble rehearses on Tuesdays from 2:30 – 4:00 p.m. finishing the season in April with several school day assemblies.

- **Select Strings** — Grades 7-8. students who play violin, viola, cello, bass or piano. The group plays alternative style music such as pop, rock, bluegrass and jazz, with the possibility of improvisation and solo playing. There is one scheduled concert in the spring. Rehearsals are held once a week.

Peer Leaders — Grade 8. Students serve as good role models for incoming 5th graders. In September Peer Leaders assist with 5th grade orientation. In addition, they attended Back-To-School Nights as well as Curriculum Nights to assist parents. They also help at other various events throughout the school year. These students are hard working, conscientious and dedicated to their school community. Students are chosen by an application process that begins the end of their 7th grade year.

Reflections – PTA — Grades 5-8. The Reflections Program is an annual National PTA program sponsored and hosted by the GFMS PTA which showcases student talents in literature, musical composition, visual arts, photography/film/video and dance/choreography. Students in all grades may enter original works in one or more of these categories that support the theme for that school-year. Entries are judged locally by a panel of professionals. First, second and third place winning entries for each category are sent for inclusion in the regional level, and then possibly the state and national level.
