The purpose of the Rugby Club is to promote the enjoyment and understanding of Rugby in safe and friendly environment. It is expected that each participant will demonstrate his/her best GFMS R.O.C.K. behavior at all times. Due to varying levels of experience among students, instructional time and play time will vary based on the needs of individual athletes. Each participant is expected to conduct himself/herself in a mature manner, specifically avoiding the following:

- Loud or excessive talking during any part of the session
- Teasing or berating another child's abilities
- Any other type of distracting behaviors

We look forward to a productive and enjoyable experience.

Rugby Club ends promptly at 3:15pm

Students need to be picked up by parent/guardian by 3:15 or they will be put on late bus which departs at 3:20pm.

There is no supervision after 3:20 so this is to ensure your child's safety.

I have read and understand the above information. I agree to participate in a respectful manner and I understand that issues with behavior can result in removal from this club.

I give my child permission to stay after school for Rugby Club.

I will pick up by 3:20_____ My child will take the late sue home at3:20_____
