

George Fischer Middle School Homework Club Information

Dear Parents/Guardians,

We would like to extend an invitation for _____ to attend the After-School Homework Club. This club will meet Monday thru Thursday from 2:35pm – 3:20pm in separate classrooms by grade level. The Homework Club is supervised by our teaching assistants and is an academic privilege for our students. The Student Code of Conduct that is in effect during the regular school day is also in effect after school during the Homework Club. The expectations of this club include:

- Being punctual for Homework Club
- Being prepared with the necessary materials (text, notebook, assignments, etc.)
- Remaining focused and on task for the duration of the period
- Following the direction of the teaching assistants

The Homework Club is a great opportunity for students to be able to work quietly on their studies in a supervised setting. However, it is not a time when students will receive one-on-one instruction. Please sign below to indicate your acknowledgement and support of the Homework Club policies.
