

## **7 17 Credit Union 2019/2020 Scholarship Program offering Twelve (12) \$1500 post-secondary scholarships**

These scholarships are paid in two increments of \$750, one half per term of study during the award year, upon verification of the student's full-time enrollment status after the drop-and-add period. Application packages must be returned to any 7 17 office no later than March 1. Recipients will be notified in early April and will be invited as guests to our annual meeting in late April. Individual students may apply for more than one scholarship, but will be granted only one \$1,500 scholarship in a calendar year.

### **University-based Merit Scholarships**

Four university-based merit scholarships are available to graduating high school students planning to attend the largest universities located within the communities we serve: one scholarship each for **Youngstown State University, Kent State University-Main Campus, Kent State University Branches** (one scholarship to be awarded from applicants to Trumbull, Salem, or Stark Branch Campuses), and the **University of Akron**. Applicants must have an account with 7 17 or be the legal dependent of a 7 17 Member. Recipients will be chosen by the financial aid departments of the respective universities based on the applicant's grade point average, school and community involvement, and letters of recommendation. The university scholarships are non-renewable awards.

### **Credit Union Spirit Scholarships**

As a financial cooperative, Members' resources are pooled to the financial benefit of the collective membership. In the spirit of the credit union movement's "people helping people" philosophy, 7 17 offers four Credit Union Spirit Scholarships. These scholarships are also university-specific and apply to the same universities as the University-based Merit Scholarships (**Youngstown State University, Kent State University-Main Campus, Kent State University Branches, and the University of Akron**). They are also selected by the financial aid departments of the respective universities, but take financial need into account along with minimum merit requirements. Applicants for the Credit Union Spirit Scholarships are not required to be Members of 7 17 at the time of application, but must become a Member to receive the scholarship. If the applicant is not a 7 17 Member upon being selected, 7 17 will open a savings account for the recipient to establish membership.

**Respectfully. Yours.**
