Treasurer
Jim Laverick

Dear Educator,

Our 2019 awards are increasing over previous years!

We will now be offering two \$1,500 awards yearly.

ASM International is the professional society for the science and engineering of materials. A significant focus of our professional society is to financially support students studying engineering at a university. In addition to the substantial grants provided by the national ASM Foundation, our local Chapter provides \$1,500 non-renewable grants to two graduating high school seniors in our region (446XX and 447XX zip code) planning to pursue a Bachelor's degree in an engineering discipline.

EXECUTIVE COMMITTEE

Carla Giacobone
Stephanie Helline
Dennis Huffman
Ashley Lane
Bob Palmer

Interested students are asked to complete the simple application and mail to Mrs. Stephanie Helline – her address is on the application. This is not a need based scholarship; it is based solely on merit. Applicants must have an ACT Composite Score of at least 28. The scholarship winners will be notified in late May 2019. The check will be written after the student has registered in an Engineering College for the Fall 2019 semester.

SUSTAINING MEMBERS

THE BOWDIL COMPANY
ELEMENT
G&S TITANIUM
RAM SALES, LLC.
TIMKENSTEEL CORPORATION
THE TIMKEN COMPANY

We are writing to high school guidance departments to make our offering known to seniors. Would you please make this scholarship opportunity known to your seniors? You can download copies of the application from our website:

www.asminternational.org/web/canton-massillon-chapter/scholarship-opportunities

In future years we will be shifting to electronic notification – please opt-in to our scholarship information distribution list by contacting Patrick Anderson at patrick.anderson@timkensteel.com.

We require that the complete applications be postmarked no later than April 26, 2019.

Thank you for your help,

Patrick Anderson
