Dear Advanced Placement Student:

As a requirement of all Advanced Placement courses offered by the Social Studies Department, you are expected to complete a summer reading/writing assignment. The purpose of this assignment is two-fold. First, it affords you the opportunity to strengthen the skills you will need to be successful in the course. Second, the summer experience will enhance your knowledge base and link directly to learning activities in the fall and throughout the year.

In order to complete the assignment, you will be expected to secure various books.
