

The Campus School

In order to attend the Alternative Campus High School, students will follow a standard Intake Process which is described below.

The Intake Process

Step One: A Referral

PPS or CSE team makes *a referral* to the Campus School

Step Two: An Intake Interview

The Campus Administrator assesses appropriateness of referral and schedules an intake interview with ***BOTH*** parent(s)/guardian(s) and the student.

The Intake Interview

During the interview, the following will occur:

- The group will discuss the program components, student's history, and student motivation for a "*fresh start*"
- The prospective student will read and consider The Contract for Admission
- If the student agrees with the contract she/he may sign the contract
- Student is then required to follow up with administrator and another appointment is scheduled for the student to complete a writing sample
