

# STEM Nights 2018 – 19 Schedule

STEM Nights are free events where professionals in the fields of science, technology, engineering and math (STEM) share their work and career journeys with middle school, high school and college students from across New York City.

At every STEM Night you can:

- Engage in hands-on activities.
- Explore STEM opportunities throughout New York City.
- Network with STEM professionals.
- Learn about STEM careers and what they have to offer.

Register for upcoming STEM Nights and view photos from past events by visiting our website at [nysci.org/stem-nights](http://nysci.org/stem-nights).
