

Jr. High Computer Case Guidelines

This guide will help you select the correct case for your student's computer. Each grade will generally have a different computer. Obtaining the same model year after year is not practical. Your student will keep the same device there entire Jr High career.

As stated in the school supply list, the parent/student must provide the case. This case must be designed for the device. It must be the rubberized type. Leather folio cases do not provide the needed protection. Remember technology does not bounce well.

The following vendors are known to stock cases for our computers:
Amazon, Office Depot, Staples, and CDW

Note: We do not recommend any vendor or case supplier. These are listed for reference only.

If you have any questions please contact Jeff Kopp jkopp@ckschool.com.

6th Grade uses the HP ProBook x360 11 g1 EE (some suppliers don't use the EE or use Education Edition instead)

7th Grade uses the Microsoft Surface Pro 4

8th Grade uses the Microsoft Surface 3 (not the pro version)
