WELLNESS FOR LIFE
HEALTHCARE REDEFINED

Wellness for Life is a private provider of employee health services for government organizations, businesses and school corporations.

We specialize in offering patients like you convenient, high-quality, primary care and wellness services. Our mission is to help you and your family lead healthier lives.

Our services are brought to you by your employer. In return, they hope to curb their healthcare inflation, so it can continue to offer you generous health benefits.

To be successful, your participation is necessary. Your center is only effective if you choose to use its services.

We are not here to replace your trusted primary care provider. We can, however, offer you high-quality care and convenience with no out-of-pocket cost.

We promise you the most convenient and hassle-free experience-unmatched by any other healthcare provider.

Schedule a visit and take advantage of the great benefits we offer you and your family.

A BETTER KIND OF HEALTHCARE FOR YOU AND YOUR FAMILY

If you are used to waiting weeks to see a doctor, spending hours in a waiting room, or paying for co-pays and medications, we are the solution to your problems!

The Porter County Schools Employees' Insurance Trust Health and Wellness Center is a better, more convenient and effective way to care for you and your family.

As an eligible health plan member, you can use your clinic as much and as often as you would like while paying absolutely nothing out-of-pocket.
