Claire Wladis	Parent/Secretary	X		
Maria Stojanovski	Parent	X		
Preeti Priya	Parent Co-chair	X		
Ashley London Taylor	Parent	X		
Shonali Gupta	Parent	X		

1. The meeting was called to order at 4:05pm.
2. The February minutes were approved.
3. The socio-emotional curriculum documents are currently being created and will be available for review soon. Current goal is to publish the socio-emotional curriculum overview in May.
4. The committee discussed possible future parent workshops; perhaps a movie screening coupled with a panel for the film *I'm not a racist, am I?*; perhaps a hands-on cyber safety tech workshop; perhaps a workshop on how to handle problematic comments/language that your own kids use or that other kids use around your kids.
5. The committee finalized the school mission and vision statements.
6. The committee got an update on the Technology Committee. That committee will meet again next week.
7. The committee briefly discussed budgets. Terri has enrollment projections but won't have the budget until June. At the next PTA meeting there will be an update on fundraising progress for the year. The committee also discussed generally how the budgeting process works.
8. The committee discussed having a STEM night next February where parents could volunteer to offer fun STEM activities and kids could come to do the activities with their parents. This may be in lieu of a science fair next year.
9. The meeting was adjourned at 5:15pm.

School Leadership Team
Mar 6, 2019 - Meeting Minutes
