I. President's Introduction (Tammy Meltzer and Melinda Orlie-Katsiris)

- This meeting was called so that we can approve the PTA budget for the 2020-2021 school year.

- The district has not yet given Terri a budget and we will not know exactly what the 2020-2021 school year will look like yet (part remote or what programs we will need based on if students are remote learning or at school).

II. Treasurer's Report (Shonali Gupta) - See Treasurer's Budget for more information

- Overview of the budget for 2020-2021.
- Our big goals are to provide an enriching program and support the school.
- The budget has flexible/generic categories for next year.
- 80/90,000 short in income from auction not being held this year
- The budget allows for flexibility on timing/types of events depending on what will be allowed in the upcoming school year.

V. Vote

- Tammy did a vote by poll and asked everyone individually. 100% approved budget.
- Adjournment at 9:40 am
