

GREAT THINGS TO DO AT BROOKFIELD ZOO

Chicago Zoological Society 

AMAZING arachnids ALL NEW!

May 26 to September 3

The Art & Science of Arachnids invites guests to discover the cultural connections of these eight-legged creatures that have weaved their way into a variety of genres, including music, art, folklore, medicine, conservation, film, and literature. In addition to engaging hands-on interactives, the exhibit features 100 live arachnids found around the world, making it the largest public collection of arachnids in North America.
