Explore the Possibilities Summer Camp 2018

Fill your child's summer days with fun and excitement. There's no substitution for the amazing memories and close friendships that are built through all the great times at Olympia Fields Park District Summer Camps. Come on in to the Sgt. Means office to pick up your Summer Camp Parent Packet and learn more information. Each one-week session at Lil Farmers, Pee Wee, Youth and Leadership Summer Camps will be filled with fun activities, including many eco-friendly sustainability lessons and projects. Each week will be themed differently, and the activities, arts and crafts, and event trips will be centered on that theme. Some themes include sports, water fun, and nature. Good behavior will earn campers a special prize. Campers must bring a lunch each day and make sure to have sun screen applied before they arrive. All campers will receive a t-shirt, water bottle, and a calendar of events the first day of camp.

Youth Yoga Flow New!

Join us on Saturday mornings for a lighthearted exploration of Yoga Flow. This class is suitable for everyone, ages 10 and older, who enjoys flowing movement, and this class is perfect for the young dancer or martial artist at heart. Parents are welcome to make it a family event and join their child to do yoga together. Students can expect to learn several variations of the Sun Salutation, the Moon Salutation, and a Dancing Warrior series, among other possible dance-like sequences. No prior experience with yoga is needed. We will spend time exploring the correct and safe alignment of each new posture before adding it to our breath-synchronized series. In the

breath-synchronized series, we link slow movement to mindful breath to create a flowing meditation in motion.
