

# Need help with your homework?

## Flossmoor Public Library Resources for Students

### Learn-A-Test

### INFOTRAC®

### Use our online resources.

Work on practice tests & exercises, learn a new language or work on your English. Look up articles & reference resources or get answers to your questions on topics from nutrition to family life, friendship & dating.

Available through the Research & Homework tab on our website at [www.flossmoorlibrary.org](http://www.flossmoorlibrary.org), accessible to everyone in the library or from home with a Flossmoor Library card.

### Find just the right book.

Consult our copy of the District 161 Required Reading Booklist, or one of our library booklists, available on our website. Find information for a report or project in our large nonfiction section. Forgot to bring home a book from school? Use one of the textbooks or workbooks we keep on hand from District 161 & IJP.
