

How can YOU help  
the Earth everyday?

# PLEDGE TO Start a **BAG** Habit

Pick a habit or two that works for YOU...

## 1. Choose reusable bags when you shop.

Keep several compact, reusable bags stashed in convenient places in your home & car.

## 2. Learn to say "No bag, please."

Only have a couple of items? Say "no" to a bag.

## 3. Recycle Right!...Think Clean & Dry

Clean and dry plastics can easily be recycled at such local stores as Kohl's, Jewel and Target.

Dry Cleaning Bags • Air Pillows • Retail Bags • Case Wrappers • Household Item Wraps • Produce & Bread Bags

*Collect and recycle locally! ... These items are not currently accepted curbside.*
