

Greetings Folks:

I'd like to take a minute and inform you that in September of 2017 the Homewood Heights Baseball Club was formed to allow kids to play more competitive/structured baseball on a tryout basis. We are also a chartered Little League club which qualifies us to play in the Little League tournaments and if our boys are successful, they can qualify to play in the Little League World Series

As such, we are recruiting kids to try out for our club from **Homewood, Flossmoor, Chicago Heights, Glenwood and Olympia Fields**. We are currently looking for BOYS at the 8U, 9U, 10U and 11U age brackets for our 2018 season and will be holding a tryout in the next few weeks. You can find more information about our club on Facebook (Homewood Heights Baseball Club) and our web site at www.homewoodheightsbc.com but I'd like to encourage you to register your child on our web site for future information about this upcoming tryout as well as newsletters that will be coming out from time to time about the ongoing of the club.

We have partnered with the City of Chicago Heights for fields during the season and the Midwest Rangers for training purposes throughout the year. We will be playing many local tournaments with our boys playing little league sanctioned games together and with other local Little League club teams.

If you would like more information about the club that you can't find on the web site and such, our managers are as follows.
