The H-F Careers in STEAM Night will be held on Tuesday, Feb. 6 from 6:00 - 8:30 PM. in E Building. The evening will begin with an H-F STEAM Club Showcase, followed by an introduction to various STEAM careers in E1. Speakers include a cardiologist from the University of Chicago Medicine, a pediatric dentist, a music producer, a professor of aviation and transportation studies from Lewis University, a senior associate actuary, and a former H-F student who is studying engineering at Northwestern University. After the professionals share a little bit about themselves and their careers, participants will have the opportunity to learn more about the career that interests them most during a 40 minute breakout session in E Building classrooms. The evening will conclude back in E1 with a Q & A with all of the presenters.

Presenters:

- Francis Alenghat, MD, PhD, Cardiologist at University of Chicago Medicine
- Brian Deck, Music Producer at Engine Studios
- Dr. Carmella Barrett Perry, Pediatric Dentist at Every Tooth Counts
- Jacob Reed, Professor of Aviation & Transportation Studies at Lewis University
- Angela Rossi, Senior Associate at Mercer
- Shaleahk Wilson, Engineering Undergraduate at Northwestern University
