

CHILDREN'S MULTI-ARTS CAMP (Ages 4-9) and MIDDLE SCHOOL PROGRAM (Ages 10-13) SUMMER 2018 CLASSES

Children ages 4-9 explore and learn problem-solving skills as they work on individual and collaborative projects incorporating a variety of materials and methods including drawing, painting, sculpture, and clay.

Our classes are offered all summer long from June through August. Classes are designed to expand young artists' minds. We offer fun and exciting subject options not available anywhere else in Chicago. With us, students learn to explore, imagine and discover in their own unique ways.

These amazing resources are available to your child to expand their creative potential:

- Regular visits to our museum, the Art Institute of Chicago.
- Outstanding faculty and 1:8 adult to youth ratio.
- Access to SAIC's state-of-the-art classroom and studio facilities.

We also offer Family Camps all summer long for children ages 4-10 with accompanying adult!
