

On August 31st, 2020, the USDA passed legislation to allow our school to provide meals at no cost to all our students until December 31, 2020 or until the funding expires. For more information visit the [USDA website](#).

POCANTICO HILLS CENTRAL SCHOOL

Why should your family take advantage of no cost meals at school?

- All complete meals (breakfast and lunch) are at no cost and allow you to stretch your home food budget.*
- You will save time in shopping and packing lunches.
- It is comforting and familiar to your students to have meals at school.
- It is confidential, inclusive, and reduces the stigma of free school lunch.
- Supporting your school food program supports/ sustains jobs, the local economy and future funding for our program.

For more information please go to the [Cafeteria Page](#).

*Snacks, a la carte and second entrees are at an added cost.
