

# Richard Bland College of William & Mary

## High School College Program

Richard Bland College of William & Mary (RBC) offers a High School College Program (HSCP) that provides additional learning opportunities for accelerated high school and home schooled students. Students may enroll in one to five college courses each semester during their junior and senior year and will receive college credit that can also satisfy requirements for the high school diploma.

### **Eligibility**

In order to enroll in the HSCP, students must have a cumulative grade point average of 3.0 on a 4.0 scale, and have received approval from the appropriate high school official (in the case of home schooled students, the parent who administers the home education).

### **Enrollment Process**

The student must complete the attached High School College Program Approval Form, the High School College Program Registration Form, the Richard Bland College In-State Tuition Application, and submit this to their high school's School Counseling or Guidance department. The high school will send the student's completed HSCP forms, and official high school transcripts to: Richard Bland College, Enrollment Services, 8311 Halifax Rd., Petersburg, VA 23805. HSCP students will be contacted by Student Success Center for information on course registration.

### **Cost**

HSCP students will be responsible for their tuition and will be charged at the same rate as commuter students. Textbook prices vary and will also be the responsibility of the student. No financial assistance is available for HSCP students.

Please direct all questions to the Enrollment Services (Admissions) Office at 804-862-6249.

## **RESPONSIBILITIES**

### Student/Parent Responsibility

After obtaining approval from appropriate high school official (Counselor/Principal/Home School Program Administrator), the student and parent must complete their portions of the High School College Program Registration (HSCP) form and submit it to the high school representative. *Do not* submit it to the college.

### High School Responsibility

The high school representative will complete the HSCP Approval portion of the HSCP Form and forward the four-page package to the Richard Bland College Enrollment Services. Address: Richard Bland College, Enrollment Services, 8311 Halifax Road, Petersburg, VA 23805.

### Richard Bland College – Enrollment Services Responsibility

The RBC Enrollment Services Office will process the HSCP Form and forward it to the Student Success Center for further action.

### Richard Bland College – Student Success Center Responsibility

The RBC Student Success Center will contact the student regarding orientation, advising, testing, and registration for the upcoming semester.
