A Note from the SADWAC Scholarship Committee

- All documents asked for are included.
- Documents not asked for are not included.
- All information is complete and accurate.
- The essay follows instructions for formatting, but also follows common practices such as the following:
 - If an essay limitation is two pages, there is an assumption that the writer will choose precise words to stay within the limit.
 - An essay that is substantially shorter than the limitation demonstrates a lack of thought on the part of the writer.
 - Essays are typed on only one-side of a piece of paper; hence, two sheets are required.
