

THE NJROTC CADET CREED

I am a cadet.

I respect the rights of others and
I am obedient to my parents, teachers, and all officials in the proper
exercise of authority over me.

I pledge myself to strive for excellence in my school work and service to
my school, home, community, and country.

I accept responsibility to meet the high standards of behavior established
for cadets while at school and away from school.

I will work to develop a personal reputation for which
I, my family, the cadet corps, and my school can take pride and
I will carry it with me always.

I dedicate myself to honor, courage, and commitment.

I AM A CADET!!!
