

Registration for spring sports is through FamilyID (www.familyid.com). FamilyID is a secure registration platform that provides you with an easy, user-friendly way to register for sports. When you register through FamilyID, the system keeps track of your information in your FamilyID profile. You enter your information only once for each family member for multiple seasons. Please go to the athletic web-page for more information on registering your child.

Registration Opens February 5th

- You must register your child EACH SEASON they wish to participate on a team
- **BE SURE TO REGISTER FOR SPRING SPORTS ASAP. Family ID closes February 23rd.**
- Physical and medication forms are due to the nurse's office NO LATER THAN February 23rd.
- The doctor will be at high school for physicals March 1st. If your child requires a physical to participate in spring sports and you would like to use the school's physician, please call the nurses office for an appointment – 763-7205
- **Practices/Tryouts begin March 5th**

Application Guidelines

- Students must have a current physical on file. Physical forms are available in the nurse's office and on-line. Students who carry inhalers, epipens or have any other special concerns must have updated medication forms completed by their physician on file in the health office
- Registration opens February 5th. You will not be able to register for sports prior to the 5th. Failing to register your child or submit the required documents by the deadline may delay student's eligibility to participate.
- **Once your child has been successfully registered, you will receive a confirmation e-mail from FamilyID. Once your child has been approved from the nurses' office, or if additional information is needed, an e-mail will be generated from FamilyID.**
- All forms must be submitted to the nurse's office on or before February 23rd.
- Students must be transported to and from all athletic contests by school authorized vehicles. Parents may transport their child home from an away game. Parents may not transport children other than their own.

Visit our inter-active athletic calendar on our web site. This calendar provides the latest information on practices and games. Track your team(s), access directions to fields, set game reminders and receive real-time e-mails of changes.
