

To All Modified Volleyball Candidates,

I hope you are having a great summer! Tryouts for modified volleyball will begin on Tuesday, September 10th in the middle school new gym from 3:00 pm until 4:05 pm. The sports permission form will be available on-line beginning August 10th on the athletic page of the school's website. Every afternoon the 4:15 late bus will be available students to take home.

There will be a meeting for all students interested in participating in fall sports on September 5th from 3:00-3:30 in the middle school new gym. The meeting will be over in time for students to take home the late bus. At this meeting we will discuss information needed for the season, and you will have an opportunity to ask questions. For the most current information on games and practices, please check the athletic calendar on the athletic page of the school's web-page.

Finally, one of the most important things you can do to prepare yourself for the fall season is to get yourself in shape and practice your volleyball skills. This will increase your chances of having a successful tryout.

See you in September,

Coach Blank
