

On-line registration for spring sports opens February 4th (www.familyid.com). FamilyID is a secure registration platform that provides you with an easy, user-friendly way to register for sports. Please go to the athletic web page for more information on registering your child.

FamilyID Registration Opens February 4th

Please Note:

- You must register your child EACH SEASON they wish to participate on a team
- **BE SURE TO REGISTER FOR SPRING SPORTS. Registration closes February 22nd.**
- Current physical (if needed) and medication forms are due to the nurse's office NO LATER THAN February 22nd.
- **Doctor Corsaro will be at high school for physicals February 12th.** If your child requires a physical to participate in spring sports and you would like to use the school's physician, please call the nurses office for an appointment – 763-7205
- **Practices/Tryouts begin March 4th**

Application Guidelines

- Students must have a current physical on file. Physical forms are available in the nurse's office and on-line. Students who carry inhalers, epipens or have any other special concerns must have updated medication forms completed by their physician on file in the health office
- Registration opens February 4th. You will not be able to register for sports prior to the 4th. Failing to register your child or submit the required documents by the deadline may delay student's eligibility to participate.
- **Once your child has been successfully registered, you will receive a confirmation e-mail from FamilyID. Once your child has been approved from the nurses' office, or if additional information is needed, an e-mail will be generated from FamilyID.**
- All forms must be submitted to the nurse's office on or before **February 22nd**.
- Students must be transported to and from all athletic contests by school authorized vehicles. Parents may transport their child home from away games.

Visit our inter-active athletic calendar on our web site. This calendar provides the latest information on practices and games. Track your team(s), access directions to fields, set game reminders and receive real-time e-mails of changes.
