Re: Atlantic County UNICO Scholarship Foundation, Inc.  
College Scholarships

Dear Counselor:

I am writing to you on behalf of the Greater Atlantic City Chapter of UNICO National and the Atlantic County UNICO Scholarship Foundation, Inc. UNICO is the largest Italian American service organization in the nation. Its members are dedicated to the motto "Service Above Self." As part of UNICO's community service for approximately the last twenty years, The Greater Atlantic City Chapter has given scholarships to numerous High School Seniors to assist them in pursuing their college education. Since the inception of its scholarship program, the Greater Atlantic City Chapter has distributed in excess of \$700,000 in scholarship money.

Once again, we will be offering scholarships to deserving High School seniors. Scholarships could range from \$1,000 to \$5,000. The number of scholarships and amounts will be based on the applicant pool.

Scholarship Applications can be obtained at our website [www.acunico.org](http://www.acunico.org) under the Scholarship Menu item. **All applications must be submitted online.** Additionally, a current high school transcript must also be submitted. This can be e-mailed to [scholarships@acunico.org](mailto:scholarships@acunico.org) or, alternatively, it may be mailed to P.O. Box 41, Pleasantville, NJ 08232. All instructions are on the website. Also, letters of recommendation are encouraged, but are not required and they can be e-mailed or mailed as indicated above.

Please note that the submission deadline is **Friday, April 27, 2018 at 11:59 p.m.** for all information that needs to be received, whether it be the scholarship applications, the current High School transcripts, or the Demonstration of Financial Need form. This is a hard deadline and no applications will be accepted after this date.

Should you have any questions, you can e-mail [scholarships@acunico.org](mailto:scholarships@acunico.org), or you can call me directly at 609-601-1775. Thank you

Very truly yours,

  
Richard S. Mairone, Esquire  
Foundation President
