

Your Path to Nursing and Health Careers with Atlantic Cape

A special event specifically for High School Juniors and Seniors and their families

Tuesday March 13, 5:30 – 7:15 p.m.

Mays Landing Campus, Room C3 - within cafeteria (C-Building)
(includes a tour of state-of-the-art simulation laboratory)

Discussion will:

- Highlight the nursing profession, competitive entry to the RN program, and readily adding the RN-to-BSN, both economical and professionally strong.
- Showcase the unique AAS degree in Radiologic Technology in partnership with the Shore Medical Center School of Radiologic Technology.
- Review options with access to array of needed allied health professions, build a foundation to springboard, transition well to college/career.

Consider technical certification programs for entering health care employment such as EMT, Medical Assistant, and more.

Please arrive 10 minutes before the start time to sign in and collect materials.

To Register:

Email your name, phone number and session selected to **Glenda Stogel** at stogel@atlantic.edu or by voicemail at **(609) 343-5048**.

5100 Black Horse Pike • Mays Landing, NJ 08330
