We went on an airplane to Disneyland. I looked out the window of the airplane and saw clouds and water. We went across the water.

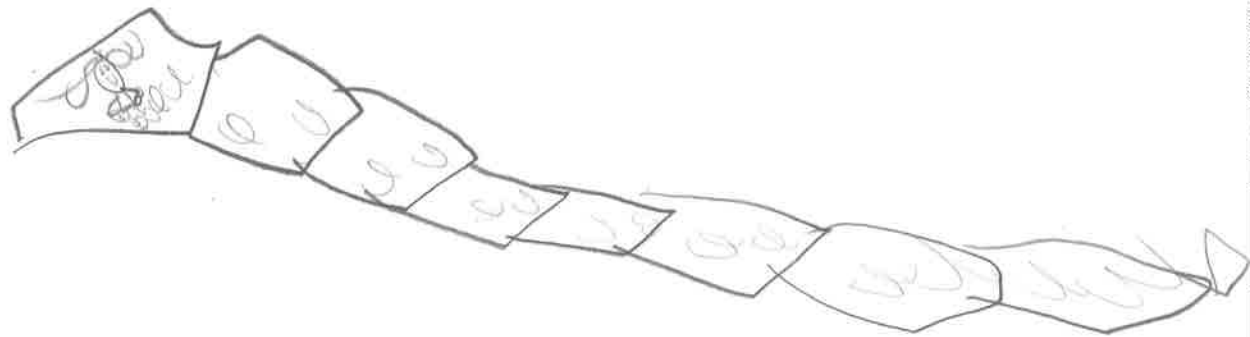

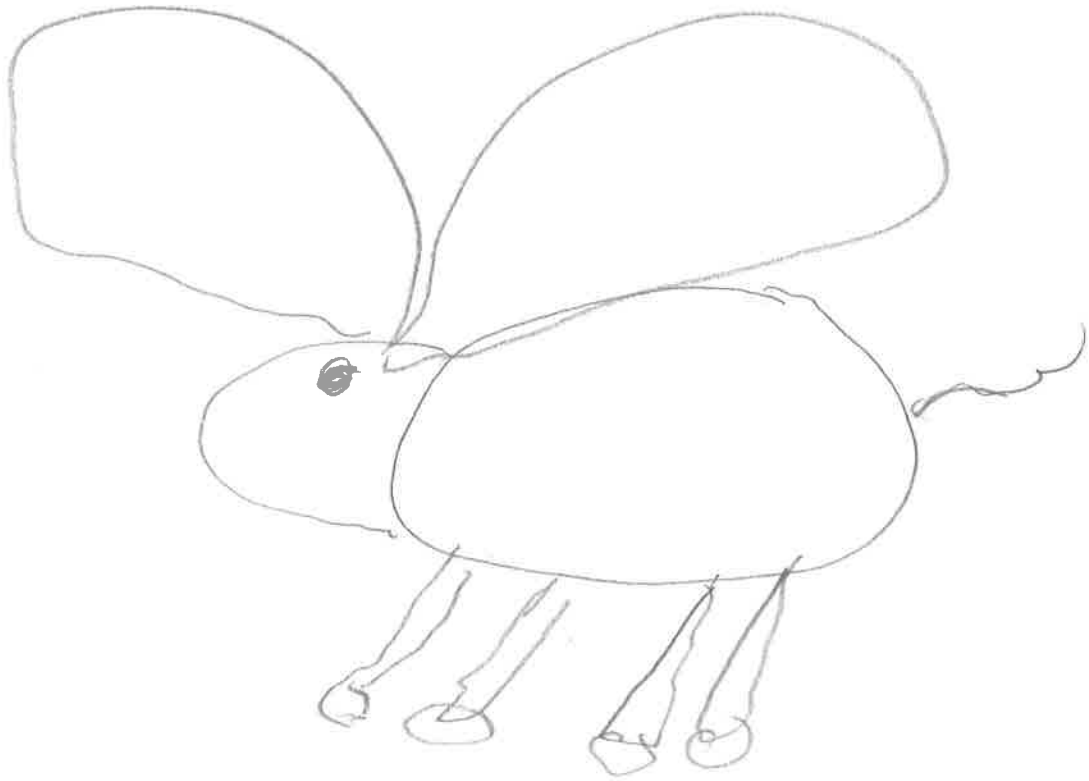

We went to the Lego store and I got my face painted. I saw big legos of Belle and Beast.

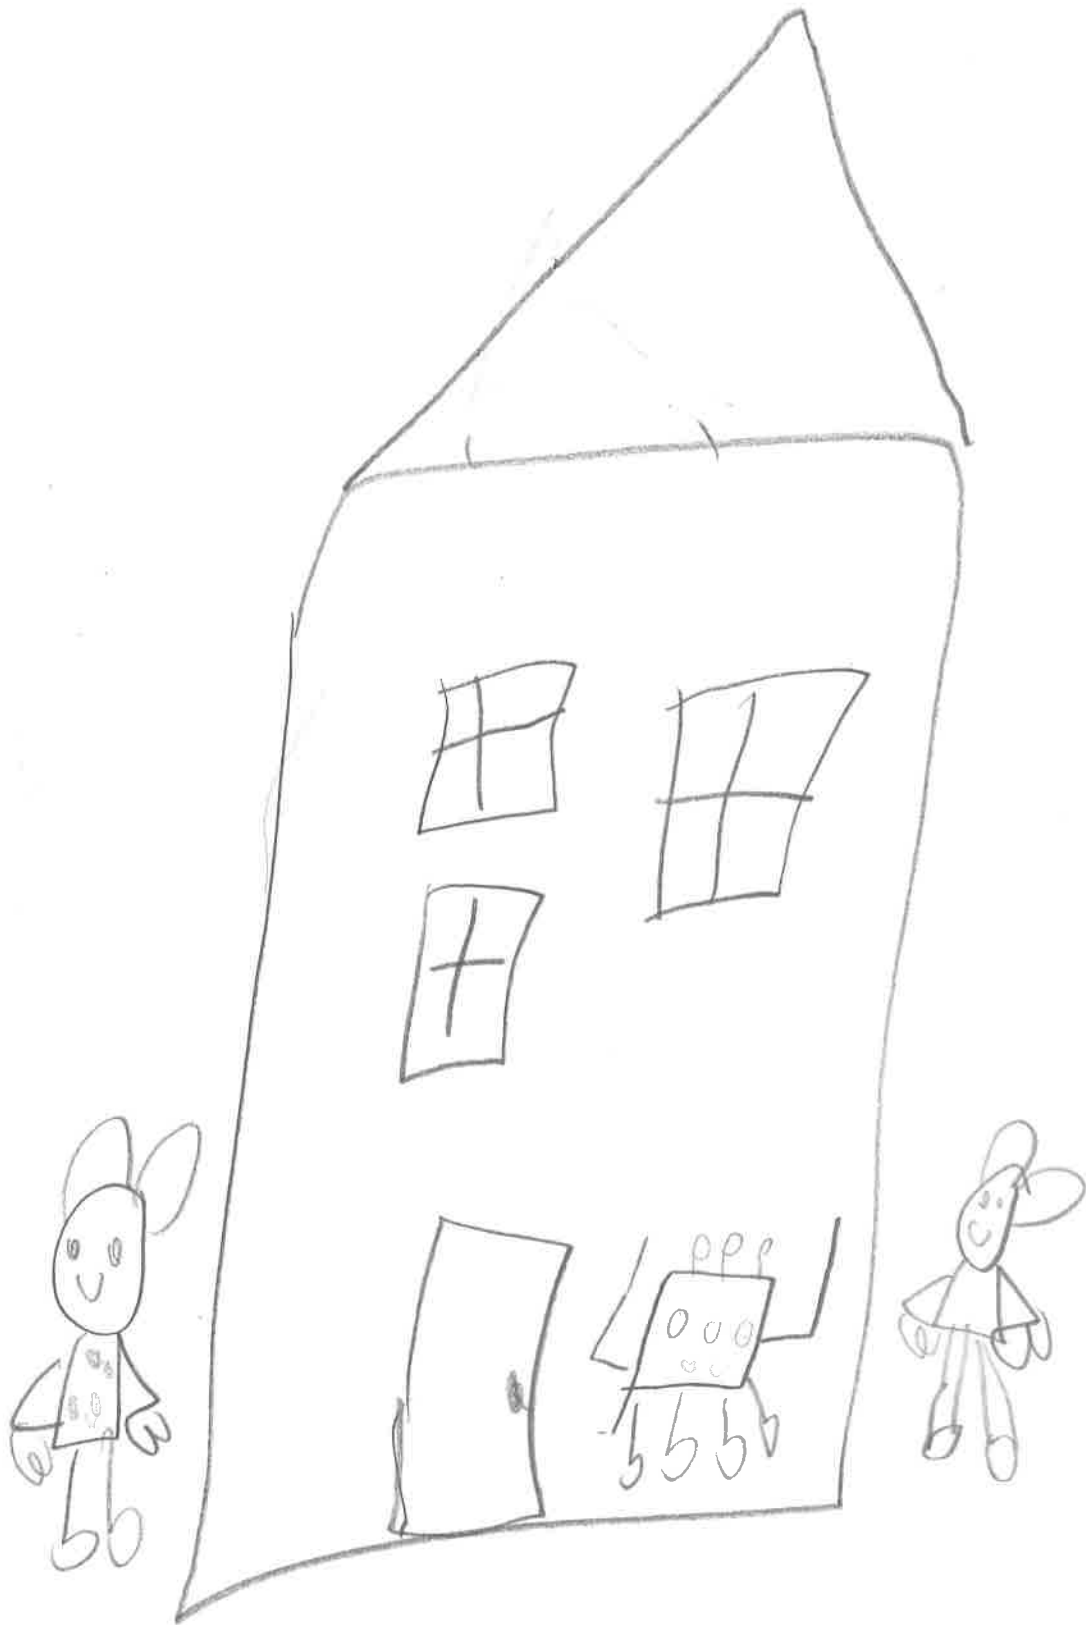

I saw Minnie, Mickey, Pluto, Goofy, Daisy and Jasmine and Aladdin, Belle and Beast, Ariel, Mulan, Aurora, Snow White, Cinderella, the Chipmunks, Tinkerbelle, Tinkerbelle put fairy dust on my head, I didn't even fly,

I got my hair done, and make-up done. I got to dress up as Elsa. My fairy godmother sprinkled dust on me when I was done. I got my pictures taken, I was so happy, good happy.

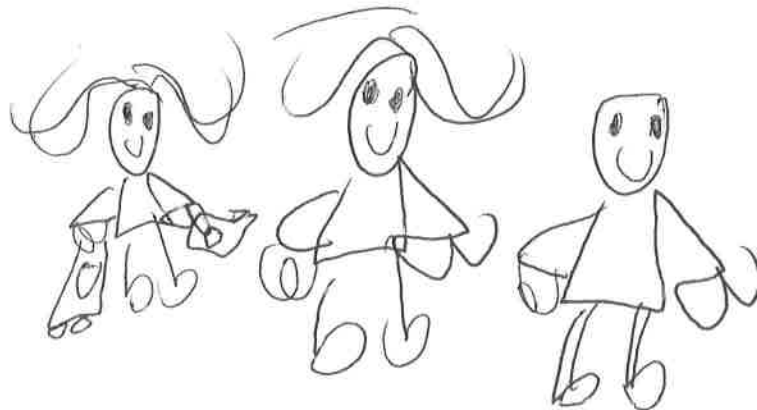

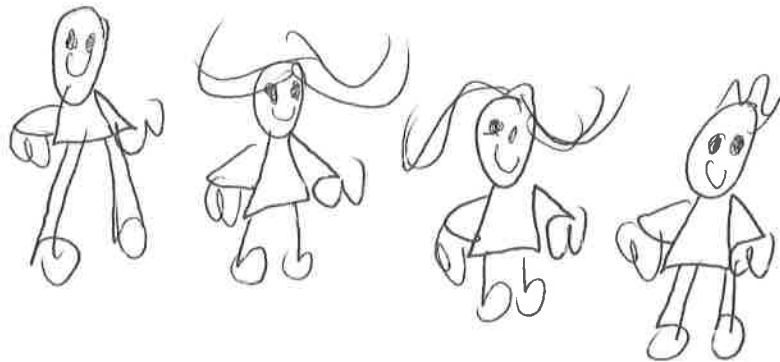

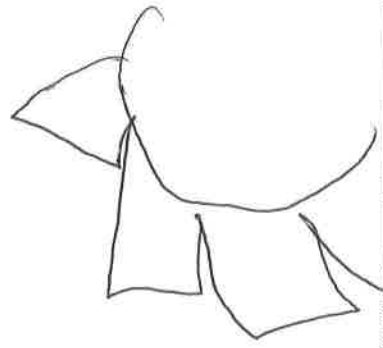

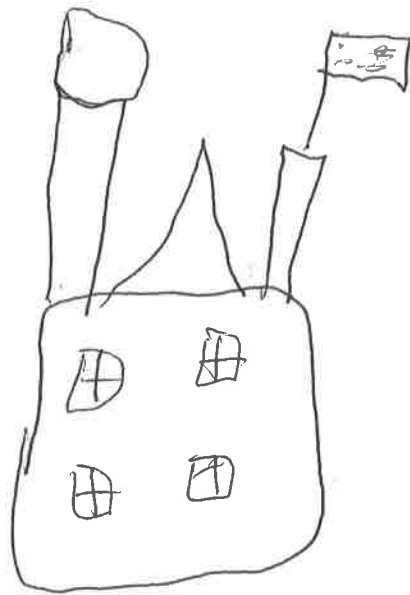

I got to ride on Dumbo, roller coaster, horses, spaceship, tea cups, pirate ride. My favorite was the roller coaster I rode it 100 times.

I got everyone's autograph and I got to play in Minnie and Mickey's house. I got to sit at Minnie's table she was making cookies.

I went to the beach and crushed by a wave. My papa covered me with sand. I picked up seashells and I got to eat on the pier and seen whales.

I was really, really big happy. I really want to go again. For Christmas I got a camera, and a Minnie suitcase so I can go back to Disneyland this summer. Urijah, Lennyn, Jorden and Kylee and G-ma and Papa are all going with me.
