Red

It is light

Tastes like marinara sauce

Smells like cheese

Sounds like hot bubbles popping

Feels hot

Looks like a triangle

Makes me excited

Red is awesome

I hate wrecks

They are so scary

You get hurt

Your car gets damaged

You can die

You can swallow a piece of glass

You can gash your head open

You can get your teeth knocked out

You can get knocked out

You can get trapped in the car

You can hurt someone else

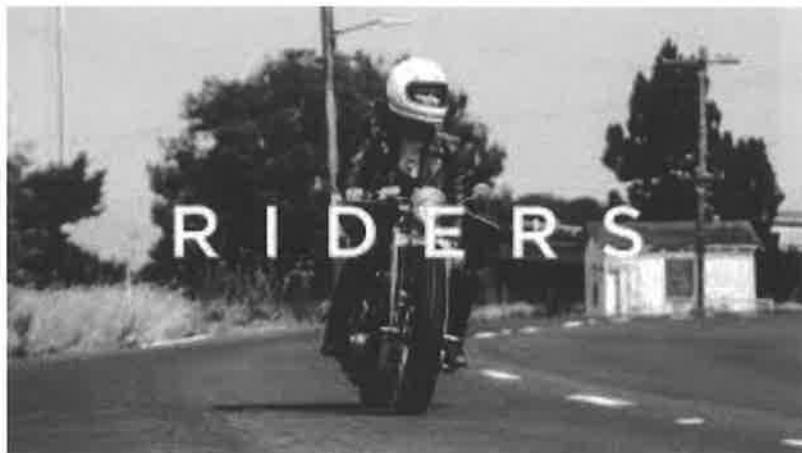

I Have A Dad

*I have a dad
Who is glad
Today he was sad
Yesterday he was mad.*

*He plays with me
We saw bee
We ride bikes
We go on hikes
We go up hill*

*It gives me a chill
He is the best
We take a rest
Once we found a chest
On Mount Everest*

Trolls

*When I scored goal
There was a wealthy troll
He was watching me behind a tree
He jumped up and down with glee
He was very ugly
And mean but he was clean*
