Hello Strategic Planning Committee Members,

Attached to this email are the minutes from our meeting last night. Thank you Debbie Varras.

A couple of items to highlight:

- On page 1, a Legislative update is provided and District budget concerns are noted.
- On page 2, the financial effects of House Bill 140 and House Bill 109 are listed for the next three years. *Special note: \$738,032 is the loss of funding for the 18-19 school year from the two bills listed above. Funding losses from the two bills for the 19-20 and 20-21 school years are \$1,057,515 and \$1,069,217, accordingly.*
- An additional SPC meeting is scheduled for **Tuesday, April 17<sup>th</sup> from 5:00-7:00 p.m.** to allow time for the civic group to meet with employers and bring feedback to the committee. **Thank you!** This will move the timeline back one month with a draft plan to be presented to the Board of Education in May.
- On page 4, the Theories of Action generated from each group (pick & shovel; loving cup; book & torch; and sagebrush) are listed. Below this list are the 'noticings' brainstormed from the Committee.

Thank you for being a valuable addition to the process.
