Hello Sweetwater #1 Staff,

As we celebrate the yearlong anniversary of the District Crest, the pieces of the Seal and their symbolism to the District will be highlighted monthly. During October, the spotlight was on legacy with yearbook photos of those students serving on the seal design committee 90 years ago. Certainly, their legacy and tradition lives on with the Crest symbolizing the importance of education and unity within the community.

This month, the focus shines on the importance of a strategic vision. How do traditions and legacy support our District vision?

90 Years of tradition:
where we came from,
what once was,
who we are,
what currently is,
with vision being
plans for the future.

Above is the Crest designed by students in Greg Buel's Welding classes over the past three years.
(Special thanks to Greg Buel for creating this metal design.)

What values symbolize a shared vision within Sweetwater #1?

Our next *District* spirit day will be Monday, November 13, 2017. Please remember, to participate in *District* Spirit days wear your District shirt with blue jeans.

Thank you,

Kelly
