Hello Strategic Planning Committee Members,

We would like to say thank you for serving on the Committee these past few months.

Attached is the *Draft Sweetwater County School District #1 Strategic Plan* finalized at the April 17, 2018 meeting.

Here is a quick rundown of the stakeholder meetings held during the process:

- 6 – Strategic planning committee meetings
- 29 – Process planning meetings
- 17 – Special Board of Education Meetings at all schools/departments
- 17 – CAB, Administrator, & Staff school/department visits
- 7 – District committee meetings (Student focus groups grades 2-6; 7-8; 9-12, Community Curriculum Council, Transportation Committee, Insurance Committee, Facilities Committee, Technology Committee, and Wellness Committee)
- 17 – Sweetwater County Employers & Civic Groups

We appreciated the time dedicated from this group to unite Sweetwater #1 in moving forward. Your time spent both during the work day and evenings contributed to a Plan representing not only the values and beliefs of our school community but a celebration of the past paving a pathway for our future.

The Draft 5-year Plan will be presented to the Board of Trustees and community at the May 14, 2018 meeting. Public input and feedback are encouraged. The 2018-2023 Strategic Plan will then be an action item on the June 11, 2018 Board of Education meeting agenda.

Again, thank you for your contributions to SW#1.

Kelly McGovern & Wanda Maloney, Chief Academic Officer
